Tumbled Stone Tiles

- .39" tumbled stone
- A rustic alternative to ceramic tiles featuring small surface pits & fissures as well as rounded & uneven edges
- The white tile's coating provides a better background for photographic reproduction while also reducing the depth and appearance of surface imperfections
- The natural tile's coating provides the most rustic look by preserving surface imperfections and offering muted color reproduction that is best suited for artwork

What makes our apparel special?

 Our apparel is manufactured with PURE-tech™ permanent moisture wicking technology. The PURE-tech™ permanent moisture wicking technology is interwoven into the fibers of these highly technical performance fabrics. Unlike standard topical applications, the interwoven system of PURE-tech™ does not fade or wash away with time, it remains strong throughout the lifespan of the garment.

 Our apparel offers fabrics enhanced with built-in sun protection. The Solar Performance line is ideal for team sports, workouts at the gym, and any high endurance activity. Featuring UPF 50+ solar protection, the Solar Performance fabric is lightweight, comfortable, and sure to keep the sun's rays from penetrating through to your skin.

 M-Shield keeps the fabrics fresh, attractive and ready for more. This Zinc based aqueous technology enhances durability without impacting thermomigration. M-Shield technology is Oeko-Tex Standard 100 certified and BlueSign System approved for sustainability.
